United States v. Clint Robert Schram

Case No. 20-06002-01-CR-SJ-SRB

This should be the 12st of the PSR objections, corrections, errors etc.
page 32 No. 149 The last sentence needs corrected. Remove the first
"prior" and change the last "prior to" to after to render like
this: "The defendant also reported he held a X manufacturing job X
after working for Ford."

page 34 No. 160(d) I will NEVER agree to this. Polygraph testing is
NOT admissible in court, when it is well talk. Delete this. Some
people compulsive liars, politicians, lawyers, etc. are able to fake
polygraph testing with ease.

page 33 No. 155 YES there was a plea agreement associated with
this case and did have an impact.

page 33 No. 158-159 I do not understand what "expressly precluded"
means, and I do not have access to a dictionary. Explain please.

page 17 No. 58 I believe the word "drug" is misused. I have
not drugged anyone.

That should be all. I still have not received the requested legal
materials Mandatory Victim Restitution Act of 1996, JVTA of 2015 and
Amy, Vicki, Andy Act of 2018

lastly I would like to see a -5 point reduction on page 22
No. 89 as had not given my encryption keys and passwords and
fully cooperated at the time of my arrest you ~~to~~ would not
have any of this information, and please give -5 reduction
